Lives Changed through Chalk Art Training

“The chalk art course is more than an art class. It is a ministry training school. God used it in my life not only to call me to preach the gospel but also to shape my ministry philosophy. The training is both biblical and practical. I left each class with a greater passion for God and stronger motivation to serve Him. I wouldn’t trade it for anything in the world!”

Brian Pate, Little Mountain, SC.

“I am so grateful for God’s faithfulness in providing this training and keeping me involved in this ministry! Not only have I been blessed by seeing my skills grow and watching God glorify Himself through these skills, but it has also given me a greater burden for souls.”

Katey Sturm, Londonderry, NH

“Chalk art offered me dynamic ministry preparation both spiritual and artistic. The instruction was extremely practical and individualized. I have continual opportunities to use this training at home and on the mission field. I came to chalk art class with little artistic talent and a lot of fear of public speaking. I left equipped and excited about a ministry that communicates beyond age, language, and cultural barriers.”

Christie Ballmann, Kopperl, TX

“Phase II was truly an enriching experience. I learned new techniques, enhanced my drawing style, discovered the secrets of black light hidden scenes, acquired several new pictures, and got every question answered!”

If you have any materials you have the option of bringing them with you to the course. However materials will be available for purchase. The prices for the course are as follows:

Course fee	\$395 (includes instruction, use of easel, and lunch).
Black Light Chalk	\$35
Regular Chalk	\$1.50 per stick as needed
Paper	\$1.30 per sheet

The class begins with breakfast at 8:30 a.m., Monday, April 1. Please plan to arrive sometime on the Sunday afternoon March 31 and depart anytime after noon April 5. Class will end on Friday at noon. The minimum age is 14 years old. Do not bring a child or teen not enrolled in the class. Only enrolled students will be allowed to stay in the classroom during class times.

If you are traveling by air, you will need to call David LeGrand ahead of time to make arrangements to be picked up at the Greensboro Triad International Airport (GSO). If you are driving, please call for directions.

There are a few special dress guidelines. You will need to bring a pair of shoes to be comfortable on a concrete floor. During the class time, you should wear clothing that is neat and appropriate. We ask that the ladies wear modest clothes and not wear white blouses or knit tops unless a vest or sweater is also worn. Men should wear shirts with collars and casual dress pants. Some students have found it helpful to use smocks, aprons, or an oversized shirt to help keep them clean.

All registrations for the class must be returned by March 18. \$450 after March 18.

If you are unable to attend this class, watch for other dates on our website at chalkmart.com.

If you have further questions, you may contact David LeGrand at 336 725-2041 or david@chalkmart.com. May the Lord bless you as you prepare for this special time of training.
